Majority Leader
House of Representatives
State House
107 N. Main Street
Concord, New Hampshire 03301

Bruce,

Thanks for the can of New Hampshire's sweetest!
Our suspecting security fellows had to x-ray before
delivery so I hope it isn't cooking inside at the
moment.

The calendar of my booking agent doesn't reach as
far as December, but I would be delighted with the
opportunity to talk to a session if by that time you
still think it is feasible and desirable. Any chance
you could convene the House at the same time but in
the Bahamas?

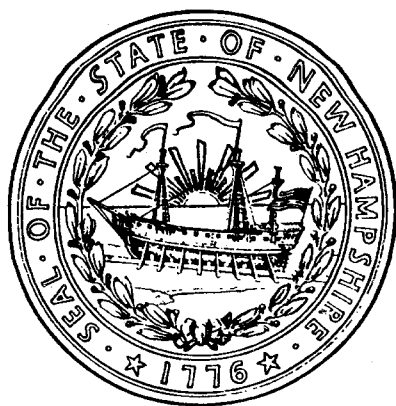

Look forward to seeing you.

Warm regards,
